

# Revenue Department News

**News No.** : 8/2015  
**Date** : 15<sup>th</sup> December 2014  
**Subject** : The Revenue Department announced the “RD Smart Tax” Application

---

The Revenue Department has developed an innovation, the “RD Smart Tax” Application which is an electronic tax filing service, and increased new channels for providing tax knowledge with ease and being user-friendly on both IOS and Android Systems for processing transaction or communicating on Smart Phones and Tablets for taxpayers in the digital age. This innovation can be downloaded for free commencing on 15<sup>th</sup> December, 2014 on App Store and Play Store with the following menus:

- Electronic RD news (E-News) services, tax info, new tax law, our administration, and outstanding news relating to the Revenue Department
  - Tax knowledge (E-Book) for presenting tax knowledge in E-magazine forms such as The Revenue Department Bulletin and The Revenue Department Annual Report:- Latest version
  - Electronic Filing (E-Filing) for providing Personal Income Tax service Por.Ngor.Dor.91 via Internet, commencing on 1<sup>st</sup> January, 2015 until 8<sup>th</sup> April, 2015. Taxpayers can save or print their tax forms and receipts, use tax computing programme, and also check their own tax filing status
  - RD Tax map (E-Map) for locating tax offices and tax counter services nationwide and presenting latitude data to enhance their convenience
