

Revenue Department News

News No. : 13/2015

Date : 5th March 2015

Subject : The Revenue Department gives more convenience to e-filing taxpayers by adding a new channel of making a payment

The Revenue Department has added a new channel of making a payment. This is for the taxpayers who file their Personal Income Tax e-forms (Por.Ngor.Dor.90 or Por.Ngor.Dor.91) on the Revenue Department web site www.rd.go.th. The taxpayers are able to make their payments at all Area Revenue Branch Offices. This is a new selection which has been increased from the existing services such as ATM, ATM Internet, Internet Banking, Tele/Phone Banking, Mobile Banking, Bank counters, Counter services at 7-Eleven and Pay @ Post counters. For the other taxes' e-filing, the Revenue Department is now proceeding to provide the payment services at the Area Revenue Branch Offices as well. It is expected to be completed soon.
