

Revenue Department News

News No. : 18/2014

Date : 13th February 2014

Subject : The Revenue Department are ready to process Personal Income Tax refund

The Revenue Department would like to inform that in 2014 it has made a management plan for such political crisis. The plan includes tax refund application development, training of officials, and intelligence technology used in the refund procedure even though some Revenue Offices are closed. This is to make sure that all taxpayers who request for Tax Refund will be able to receive their refund as fast as usual provided that they submit complete documentations. We would also persuade taxpayers to file Personal Income Tax returns (Por.Ngor.Dor.90 and Por.Ngor.Dor.91) through internet by logging onto our website at www.rd.go.th which is easy, convenient and fast able.
