**News No.** : 22/2015

**Date** : 29<sup>th</sup> June 2015

**Subject** : The Revenue Department in cooperation with PACC to provide the services for data search all types of tax return filed online to examine fraud in public sector

---

Today (29<sup>th</sup> June 2015) **Mr. Prasong Poontaneat, Director-General of the Revenue Department, and Mr. Prayong Preeyachitt, Secretary-General of the Office of Public Sector Anti-Corruption Commission (PACC)** have signed a memorandum of understanding on data search form tax return filed electronically in the Pra-Utain 3 Conference Room, 2<sup>nd</sup> Floor of the Revenue Department, witnessed by executives of both sides. The PACC is the 6<sup>th</sup> organization that has power by special law to request important information of taxpayer relevant to corruption in public sector from the Revenue Department. The required information in electronic format will be sent directly and immediately under high level of network security and safety measure with technology of Digital Signature, Encryption/Decryption and PKI Smart Card used for keeping confidentiality between receiving and sending via the internet. This leads to increase more speed and efficiency of law enforcement in order to deter fraud and corruption in public sector.
