Date : 27th May 2013
Subject : Director-General convened his senior officers to discuss revenue collection plan for the Por.Ngor.Dor.50 filing period

On 27th May 2013, Mr.Rungson Sriworasat, Deputy Permanent Secretary of the Ministry of Finance, chaired in the opening of the Revenue Executives Conference during 27th – 28th May 2013 at Pra-utain 1 Conference Room, the Revenue Department Headquarters with the presence of Dr.Satit Rungkasiri, Director-General of the Revenue Department, and his senior executives. The Deputy Permanent Secretary took the opportunity to thank all the Revenue Officers for their contributions towards the goal of sustainable economic growth.

Dr.Satit Rungkasiri, Director-General of the Revenue Department, has revealed that “the government has reduced the corporate income tax rate down from 30% to 23% for the year 2012 and to 20% for the year 2013. Additionally, the reduction of personal income tax rate is soon to be considered by the parliament. As a consequence, the Revenue Department has to be more proactive and adapt its revenue collection plan with current circumstances. I have urged our revenue offices to keep a close watch on our clients, especially before the deadline of filing of Por.Ngor.Dor.50 at the end of May. Pre-audit should be performed by comparing the growth of the client with that of its sector.
