Subject : The Revenue Department and SCB unveil free tax payment via credit card for the first time in Thailand

RD and Siam Commercial Bank launched the first of its kind “tax payment by credit card” without fee to facilitate taxpayers which will start in the 4th quarter.

Mr. Satit Rungkasiri Ph.D., Director-General of the Revenue Department said, that “The goal to continuously improve tax payment channels for taxpayers have been answered by invention introduced by Revenue Department and Siam Commercial Bank to provide new kind of tax payment service for SCB credit card holder. The use of credit card has become the most popular electronic means of payment, thus this service facilitate taxpayers as well as help reduce cost associated with paying taxes”

Ms. Kannikar Chalitarporn SCB President said, that “over the past years the bank continuously seeks to provide other channels of financial services to facilitate our clients. As for the cooperation with the Revenue Department, this service is a new era of taxpayer service in Thailand, taxpayers can use all types of SCB credit cards without having to pay credit card fee and interest free payment period of 51 day. In addition, clients can also choose to pay in installments up to 10 installments with “Call for Dee Jung” service , this will increase the flexibility of financial management of our client. Up to now we have around 2 million credit card holders , we believe that our card holders will benefit from this service which will start in the 4th quarter this year.”

Taxpayers can use SCB credit cards to pay for all types of taxes; personal income tax, corporate business tax, value added tax, specific business tax and stamp duty via filing tax forms at any of 51 area revenue branch offices in Bangkok or through www.rd.go.th.
