

Revenue Department News

News No. : 1/2017
Date : 28th November 2016
Subject : The Revenue Department, together with 2C2P (Thailand) Co., Ltd, launched the services for tax payment via credit card

The Revenue Department, together with 2C2P (Thailand) Co., Ltd.. launched the services for tax payment via mobile application - easyBills which is an innovation for the Revenue Department to provide proactive services to taxpayers. This initiative will enhance efficiency in services so that taxpayers can conveniently file tax returns and pay tax.

Today (28th November 2016) **Miss Phadcha Pongkeeratiyut, Deputy Director-General of the Revenue Department** signed a memorandum of understanding on Tax Payment Services for e-Tax Filing via the Revenue Department website with **Mr. Piyachart Ratprasatporn, Executive, 2C2P (Thailand) Co., Ltd..** The signing was held in the Pra-Utain 2 conference room on 2nd floor of the Revenue Department, witnessed by executives of both sides. This cooperation will enhance the Revenue Department's potential to serve taxpayers proactively, with faster and easier access by increasing forefront electronic tax payment channels. The Master Card users of every bank will be able to make tax payment via mobile application – easyBills. The increase in tax payment channels will facilitate taxpayers to make financial transactions with credit card, and lead to more convenience, safety, accessibility for taxpayers.

Miss Phadcha Pongkeeratiyut, Deputy Director-General of the Revenue Department revealed that, “The Revenue Department has cooperated with 31 organizations including banks, Thailand Post, and department stores. 2C2P (Thailand) Co., Ltd. is the 32nd organization that cooperates with the Revenue Department. The company is well prepared and trustworthy to be the electronic tax payment gateway. This will encourage and facilitate more taxpayers to file tax returns and make online tax payment as well as provide alternative tax payment channels. In addition, this initiative helps drive Thailand's competitiveness in electronic transactions towards global level. The Revenue Department is determined to provide the best services to reach every taxpayer's satisfaction.”
