

Revenue Department News

News No. : 12/2016

Date : 21st March 2016

Subject : The Revenue Department reminds for the upcoming dateline of a personal income tax filing for tax year 2015

Mr. Somchai Saengratmaneedet, the Deputy Director-General of the Revenue Department, Acting a Spokesperson of the Revenue Department, reveals that “the deadline for filing personal income tax (PIT 90, PIT 91) for tax year 2015 is on 31st March 2016. However, the deadline for online filing via www.rd.go.th and the RD Smart Tax Application programme (for PIT 91) on Smart Phone and Tablet is extended to the 8th April 2016.” For this year, the Revenue Department cooperates with the Department of Provincial Administration, Ministry of Interior, to enhance the security of personal tax data using Laser ID, the 10-digit Controller ID shown on the back of the identification card, for investigating, protecting the tax data accessibility, and increasing the security confidence. There is also a newly alternative service for personal income tax returning. This service is optional for sending the tax return notification letter (Kor 21) and the bank cheque via EMS to receive them faster.

For further information, please contact the Revenue Offices nationwide or RD call center at 1161.
