Subject : The Revenue Department encourages retailers nationwide to become certified VAT REFUND FOR TOURIST retailers

Mr. Somchai Saengratmaneedet, Deputy Director-General of the Revenue Department, stated that the Revenue Department has adjusted the criteria for becoming a certified VAT REFUND FOR TOURIST retailer easier, in order to urge more retailers to join this scheme and promote tourism in Thailand. The updated criteria requires that a retailer must be a VAT registered company or a partnership. However, it does not restrict the amount of registered capital. For those interested, please apply to the local area revenue office, Bureau of Large Business Tax Administration (if applicable), or via www.rd.go.th/vrt. Successful applicants will be granted with a regulation manual, public relations pamphlets in English, VAT REFUND FOR TOURISTS sign, and etc. For retailers, this can increase business opportunities and sales income especially from the increasing number of tourists.

In case of any questions, please contact any Area Revenue Office or the VAT Refund for Tourists Office at Tel. 02-272-9245 or RD Call Center Tel. 1161.
