Date : 8th June 2018

Subject : The Revenue Department invites taxpayers to take a survey to help improve its services

The Revenue Department has launched a survey project on confidence in services and good governance administration. The survey findings will reveal the Department's performance and be used to improve its services in accordance with good governance practices. The Revenue Department, therefore, would like to invite entrepreneurs, taxpayers, students, and relevant stakeholders of the Department to take the online survey. The survey can be accessed either at the Revenue Department's website www.rd.go.th > what's new> Topic "Invitation to take the survey on confidence in the Revenue Department's services in accordance with good governance practices" or by scanning the QR code below from now until 22nd June 2018.
